

Monday 15th June

Dear Parent/Carer,

I hope you have enjoyed the TT break; I noticed that what would have been Senior Race Day was rainy, cloudy and windy. Happily, the sunny weather has returned today.

If you listened to the Chief Minister's Press Briefing today, you will have heard that he hopes that all children will return to school next week, from Monday 22nd June. Staff have been in school today, teaching the children of key workers, continuing with on-line learning and preparing for the return of our students.

We will be contacting you in the next few days to see how many students will be returning – we already know about Years 10 and 12, but for parents of children in other year groups, do expect some form of contact. Confirmation about our expectations, including what our students should wear, will be issued this week.

Our island community has much to celebrate about the easing of Covid-19 restrictions and everyone at school is very much looking forward to getting back to normal very soon.

With sincere best wishes,
