

Strang Road Closure from 6 January 2025

Service 47

Due to the closure of Strang Road (commencing at 0900 on Monday 6 January) the morning and afternoon Service 47 journeys are unable to serve Ballanawin, Union Mills or Snugborough.

These journeys operate:

Morning - commencing at Braddan School at **0749** then via the Hospital perimeter road (therefore unable to serve the Cronk Grianagh stop) to Strang (Roundhouse side shelter) at **0754** then to Cronkbourne (0800 as normal).

Afternoon - normal route to Braddan School then via the Hospital perimeter road to Strang.

School pupils from Snugborough are able to travel in the morning on the diverted Service 5 (Union Mills at **0731**) to travel to the Braddan School stop to then board the Service 47. In the afternoon travel is available on the Service 29 (1543 at Ballakermeen) to Lord Street for travel on the diverted 1607 Service 5 which sets down at the Ashlar Drive stop.

Please ask the driver for a 'transfer' ticket when alighting the 1st bus.
