

BALLAKERMEEN

BOAT RACE & BATTLE BOAT CHAMPIONSHIPS

Event 1: Your RACE boat will attempt to complete two lengths of the swimming pool. There will be three separate races to allow up to three different pilots to compete, whilst testing the durability of your boat.

- Event 2 – your BATTLE boat will compete in an open pool to try and sink your competitors by splashing and flooding their boats. Pilots must manoeuvre their boat as well as battle – it is not for the faint hearted!
