Newsletter - Edition 2

And the winners are..... 8MD5

I know many of you have been awaiting the results of the Christmas Hamper Winners. I found it so difficult to choose a winner this year, as the quality of the hampers were top notch! However, our winners this year with their brilliantly thought out Grinch themed hamper is 8MD8.

Very well done to you all!

Taking 2nd Place.....

We don't often award a 2nd place prize, however I did really enjoy the thought and attention that went into creating 12MP6's fluffy sheep hamper, complete with cotton rounds.

Well done to you!

It's Christmas!

Christmas is fast approaching and I'm sure many of you are beginning to feel the excitement.

Friday 29th November saw the official kick off to Christmas here at Ballakermeen High School, with our annual Christmas Market. The House Teams all clubbed together and came up with some brilliant stalls to raise money for our charities.

The market was a great success and the ever popular Christmas Hamper raffle has helped to raised approximately £900 for the school, so a massive well done is in order to each and every one of you, who helped contribute to the creation and decoration of your amazing hampers.

Our top merit earners for the first half term!

Congratulations to:

Celebrating you!

*Ava, Grace, Patience and Lucie 8MD5 - Thank you for going above and beyond, giving up multiple lunch times to help create the form hamper and the reindeer candy canes.

*Sam, Breeshey and Joe 11MY2 - Well done for having the courage and confidence to speak up about the Syrian refugee issues on Manx radio.

HELPING OTHERS

Maughold House has chosen Reach IOM as their local charity to support this year.

Remember that we are also still fundraising for our sponsored Child Sahr in Sierra Leone.
