

# Accessing online learning platforms

<https://www.sch.im>

## How to log into itslearning

*Itslearning requires the **same** username and password that students use to log into a school computer*

1. Click the itslearning logo (see above)
2. Choose: Login (RAN)
3. Enter your username and password:

**Username:** e.g. **09JohnSmith**

**Password:** *Identical to the password that you use during ICT lessons*

## How to log into Google Classroom (and Gmail etc)

*Google requires a **different** username and password to what is normally used to log into a school computer*

1. Enter your Google username into the space provided (see above)
2. Enter your Google password when prompted

**Username:** e.g. **JohnSmith@online.sch.im**

**Password:** *Your Google password, which is not the same as your regular computer password*
