Dear parent/carer,

Ballakermeen has volunteered to be part of a second pilot group of schools that will be validated under the Island's new Quality Assurance Framework. As such, we will welcome the Tribal (Education Services) Validation Team into school on **Tuesday 7th May and Wednesday 8th May**.

The team from Tribal will be validating the self-evaluation documentation completed by school leaders. The timetable for the two days includes meetings with a selection of students, staff, school leaders and other stakeholders to review the school's Quality of Education, Behaviour and Attitudes, Personal Development and Leadership and Development. More details can be found in the attached leaflet.

We are looking forward to the validation process and to sharing the validation feedback with you soon.

Kind regards

Graeme Corrin
Headteacher
