1<sup>st</sup> February 2021

Dear Student

I am writing to inform you that this year's options presentation has been uploaded on to the homepage of the school website.

The presentation references the Google Options classroom (joining code **tf2xo77**) which provides a wealth of information that will help you to make your options choices. This includes:

- A presentation from each of the options subjects
- The Ballakermeen and the UCM option booklets
- The options forms themselves
- A link to the JED demonstration video
- A list of frequently asked questions (FAQs)

Please watch the presentation with your parent or carer. It is very important that they support you through the process. The deadline for your option form submission is the 5<sup>th</sup> March. That leaves you with plenty of time to give your choices some serious consideration.

If you are unsure of anything, please make sure you read the FAQs on the Google Options classroom. If you cannot find the answer there, please speak to the relevant subject teacher, your Form Tutor, Head of Year or any of the other members of staff listed in the presentation.

We are all very happy to help.

Finally, it is great to see you all back at school and I wish you the best of luck with your options choices.

Yours faithfully
